

# Capability Statement

*“We guarantee powerful, guilt-free, and eco-friendly cleaning.”*

Super Blast Off®, the jet action safety cleaner and degreaser with unlimited uses. Removes grease, wax, gum, dirt, oil, ink, mildew, carbon, running rust, and difficult soils from any surface not harmed by water or solvent.

## Differentiators

Our cleaning product is highly concentrated, requiring less product and less storage space, which makes it very cost-effective.

*Super Blast Off® is:*

- *Non-toxic*
- *Non-abrasive*
- *Biodegradable*
- *USDA approved*
- *Aircraft approved*

## Past Performance

SUPER BLAST OFF® is sold throughout the world to: Governments and their military facilities, prisons, airlines, heavy industry, and other types.

### Government

CALIFORNIA DEPARTMENT OF TRANSPORTATION

### Commercial

## Elsco Intl

Elsco International was founded as a private company in 1955 after the development of Blast Off, the TRUE all purpose cleaner on the market. For more than six decades, the company has been family owned and operated.

## Core Competencies

SUPER BLAST OFF® will clean your hard to clean areas at a great reduction in cost. SUPER BLAST OFF® is a formulated water-based, non-caustic, alkaline cleaner, designed for the safe removal of all types of soil from exterior and interior surfaces of flight decks, aircrafts, kitchens and more.

It is the only cleaner needed for:

- *Aircraft washing*
- *Flight Deck cleaning*
- *Kitchen cleaning*
- *High pressure washing*
- *Floor and carpet cleaning*
- *Auto and motor washing*
- *Stainless steel/Aluminum cleaning*
